Lucy Robbins Welles Library Entrance

Introduction

This packet of information is designed to provide you with a brief outline of community information and services.

Newington is a well balanced community with a residential, industrial and commercial base. Newington is located 5 miles southwest of Hartford and is surrounded by West Hartford, New Britain, Berlin, Rocky Hill and Wethersfield.

This packet of information is also available on the library's web page at

<http://www.newingtonct.gov/library>

If you have further questions regarding Newington, please call the Reference Department of the Lucy Robbins Welles Library

(860) 665-8700.

Reference staff will be available to assist you.

Utilities & Services

Water:	Metropolitan District Commission	--98% public
Sewage:	Metropolitan District Commission	--98% public
Refuse & recyclables:	Private contractor	--Town administered
Fire protection:	130 volunteer firefighters, 4 companies, 1 cadet company	
Police protection:	51 sworn officers, 7 dispatchers, 1 animal control officer, and 5.5 civilian employees	

Rubbish/Recycling Collections

All household refuse is to be placed inside the container provided to you by the Town for curbside automated rubbish collection. The Town recommends you choose the 95 gallon size barrel. Smaller sizes are available from the contractor, Trash-Away. Please call 667-5874 for information. Only trash put in the automated barrel will be accepted and emptied. Trash should be put in tied bags before putting in the barrel. Have your barrel within two feet of the curb by 6:00 a.m. with the handle turned away from the street. Call the Town's Sanitation Division at 667-5874 for the collection schedule.

Oversize items must be placed at the curb for weekly Thursday pick up for residential homes, and Wednesdays for condominiums. Residents must call the Town's Sanitation Division at 667-5874 by Tuesday at 4:30 p.m. of each week to be scheduled for an oversize pick up. Oversize items include branches, furniture, carpeting, large household items, limited amounts of lumber, sheetrock or other building materials, and automobile tires. Branches must be tied in bundles, with a limit of five (5) bundles per week. Furniture and other large household items are limited to two (2) items per week. Carpeting must be rolled up and tied, with a limit of five (5) bundles per week. Lumber may be left for oversize pick up and must be tied into bundles with a limit of five (5) bundles per week. Two (2) tires, with rims removed, may be left at the curbside each week for Thursday pick up. Tire rims may be disposed of at the Town's Landfill/Recycling Center.

Curbside recycling includes the following recyclable materials: glass, metal, or plastic food and beverage containers; milk and juice cartons; newspapers, magazines and catalogs; corrugated cardboard, and junk mail. Food and beverage lids and caps should be thrown away. Only plastic food and non-food #1 and #2 containers are recyclable. Place newspapers in brown paper grocery bags or tie with string. Flatten all corrugated boxes and tie multiple pieces with string. Put junk mail in brown paper bags only. Recyclable materials should be placed in a "blue bin," obtainable at the Sanitation Division, Highway garages (off of Fenn Road).

For a schedule of household hazardous waste collection days call 667-5874. Large appliances will be collected on Tuesday of each week at the curbside, after residents pre-pay at the Highway Department Office by Monday at 3:30 p.m. The fee is \$10 for one item and \$5 for each additional item. Smaller metal items must be brought to the Town's landfill/recycling center. Leaves will be collected curbside each fall. Grass clippings must be taken to the Town landfill, mulched or composted. Motor oil waste can be disposed of at the Town Highway Garage (off Fenn Road), Monday-Friday, 7 a.m. to 3:30 p.m., or at the landfill/recycling center on the weekends. Motor vehicle batteries, concrete or stone can also be taken to the Highway Garage. Propane gas tanks (used for grills) can be left at the landfill/recycling center.

The Town's landfill/recycling center is located on Main Street, next to Churchill Park. The landfill/recycling center is open all Saturdays during the year, from 9:00 a.m. to 5:00 p.m. and Sundays from April 1 to December 31, from 9:00 a.m. to 5:00 p.m. Residents must show proof of residency at the town landfill. For further information call 667-5874 or visit the Town's website at www.newingtonct.gov.

History

Newington was part of the Town of Wethersfield until 1871. Early names for the area were "Pipestave Swamp," then "Cow Plain," and later, "West Farms." These reflected its use first as a source of staves for making "pipes" (large sized barrels) used in colonial trade, then a pasture for cattle, and eventually, the new farms taken up by descendants of early Wethersfield settlers who had been given grants on the western frontier of their riverside town. By 1721 there were enough new farmers on these grants to request that the General Assembly of the Colony of Connecticut give them the name "Newington." This name means new town in the meadow.

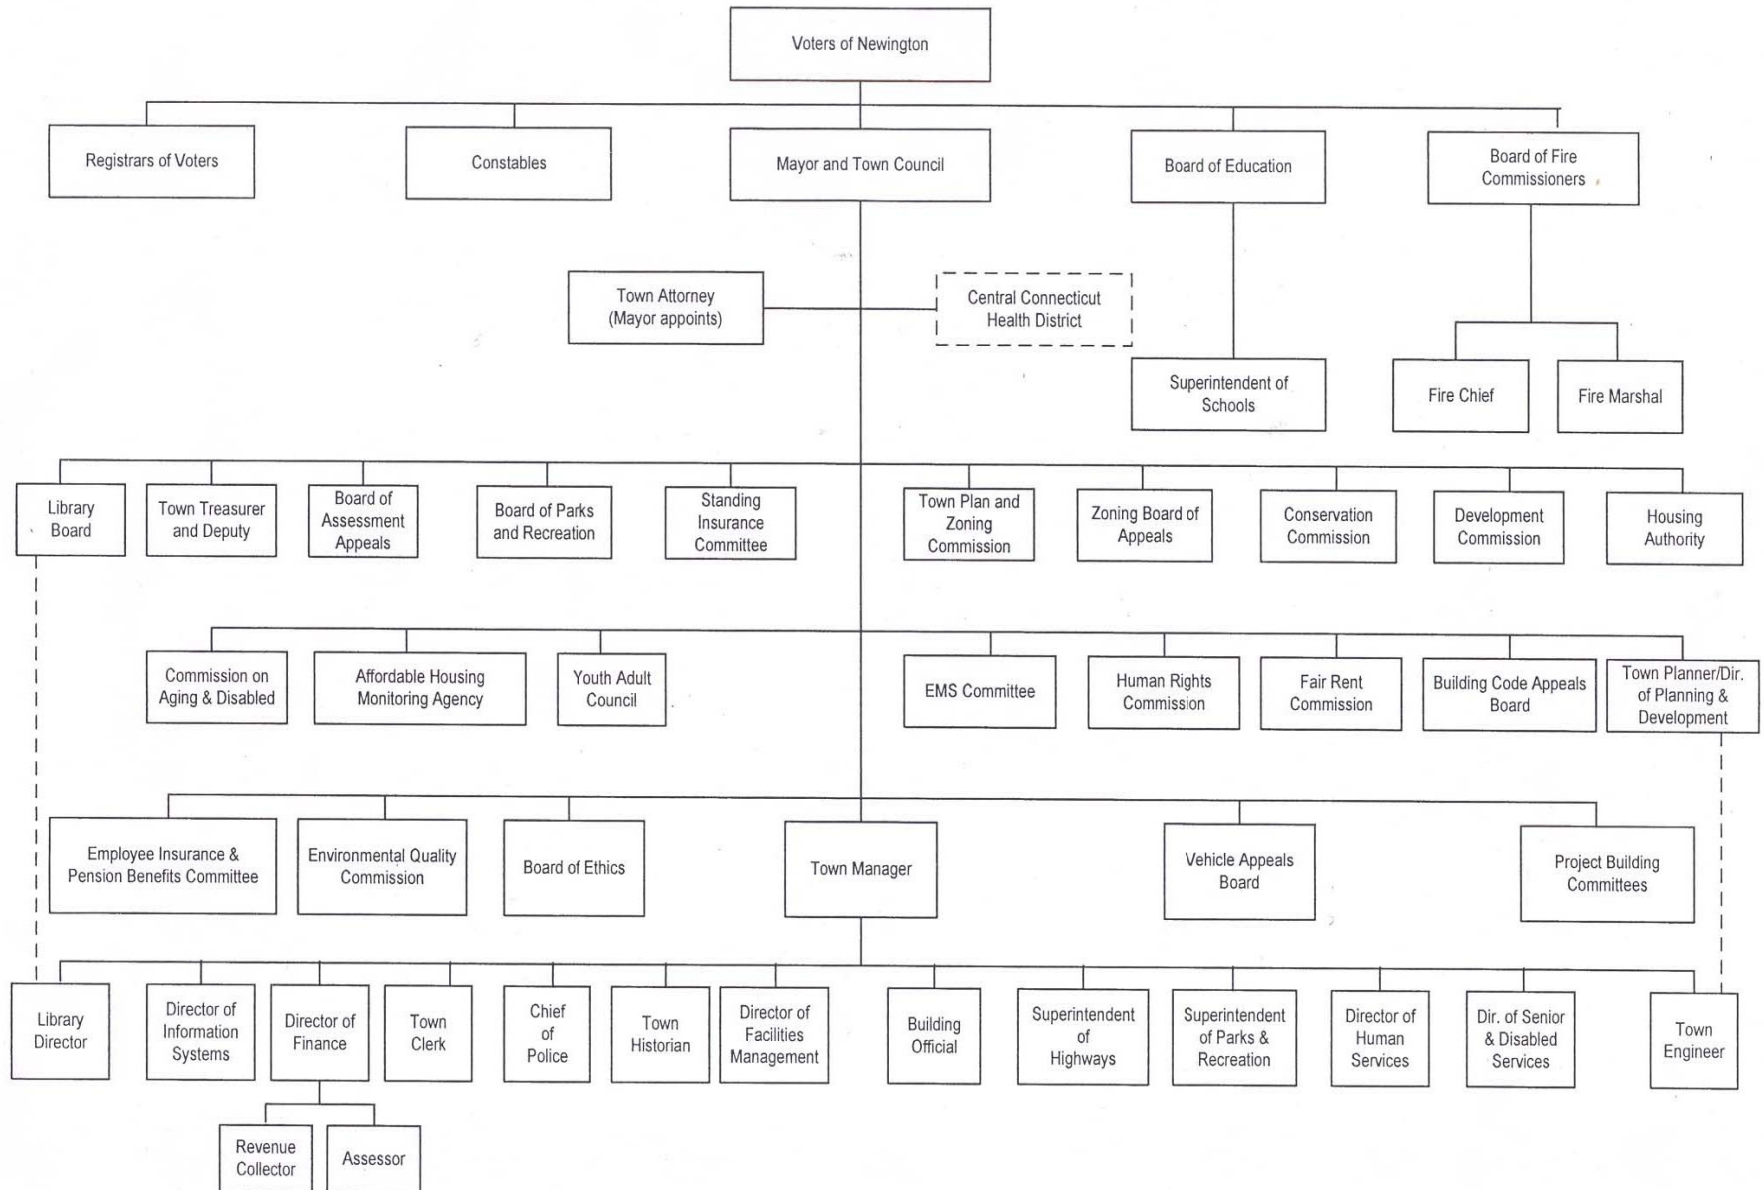

Because most inhabitants were related to Wethersfield families, Newington accepted government by Wethersfield Town Meeting until 1871. But the railroad had come through Newington in the 1830's and frequent, inexpensive transportation attracted growth. Some years later, Wethersfield Town Meeting refused to approve expenses for highway improvements for better access to the railroad. Newington was ready to take government into its own hands. It applied to the General Assembly of the State of Connecticut for incorporation, which was approved in 1871.

The trolley car and the automobile brought more growth early in the 20th century. Newington's geographical location in the center of the state, plus great improvement in highways, attracted many new residents and businesses. The trolley was replaced by regular bus service along the same route. Commuting to Hartford and New Britain was convenient. By 1966 population increase had outgrown government by the town meeting and the Council-Manager form of government was adopted.

Topography

Newington varies in elevation from 40-380 feet above sea level. The average annual temperature in 2008 was 46.4 degrees with variations of over 50 degrees higher and 40 degrees lower. The average rainfall in 2008 was 37.8 inches. The area is 13.2 square miles.
